Brabantia cookware collections 2025

 brabantia

DESIGNED FOR COOKING.

Can practical be beautiful? We think so. In fact our products are so delightful; they transform daily chores into a domestic pleasure. And because they're stylish and well made, you will love using them for as long as you want – without feeling guilty when you finally let them go.

ENJOY FOOD.

As we spend more and more time in the kitchen, the things we use become increasingly important to us. When cooking, mixing and preparing food looks this good, it becomes even more of a pleasure.

MISSION.

We and our partners create success through delighted and returning customers with beautiful, sustainable and functional solutions for living, giving and cooking.

Allinox is our exclusive cookware partner for manufacturing, distributing and promoting Brabantia Cookware worldwide since 2001.

TASTY+ RECYCLED

- Bring colour to your kitchen with the Tasty+ frying pans. Stylish frying pans with ceramic nonstick coating. Ideal for daily use.
- Sleek handle in trendy colour. Made of bakelite and ABS for a heat-resistant and ergonomic grip.
- High quality 100% recycled aluminum body that heats up fast to save you time and energy.
- Excellent non-stick properties; Titanium reinforced ceramic coating for an extra strong and durable non-stick frying surface. Free from PTFE, lead or cadmium; 100% PFAS free.
- Low-fat cooking. Only a little bit of cooking fat is needed to sear or brown your food.
- Easy to clean as the non-stick layer avoids sticky food residues.
- Full induction plate.
- Suitable on all hobs, not oven suitable.

3-year guarantee

This Body contains 100% RCS certified recycled material, certified by Intertek 189824-RCS.

FUTURA RECYCLED

- Certified post-consumer recycled stainless steel to drive the circular economy approach. Less can mean so much more.
- Improved material characteristics compared to its non-recycled predecessor.
- Encapsulated base for optimal heat distribution. Heats up fast & reduces the cooking time.
- Ergonomic stainless steel handles.
- Glass lid with stainless steel rim and air vent hole to prevent boiling over and allowing steam to escape.
- Inner capacity marks: no need for a measuring jug.
- Dishwasher-safe.
- Suitable for all heat sources, incl. induction.
- Oven suitable up to 200°C.

10-year guarantee

This Body contains 91% RCS certified recycled material, certified by Intertek 189824-RCS.

OVER 90% RECYCLED MATERIAL CONTENT IN OUR STAINLESS STEEL BODY.

Sustainable, recyclable, long-lasting and resource-efficient stainless steel because we are working towards a world that lasts forever.

The highest-recycled material content rate in the industry of over 90%. This significantly reduces the need to extract new minerals and ores from the ground and minimises the environmental impact of our production processes.

The recycled stainless steel not only helps save the world's resources, it is also the most durable material for cookware. Stainless steel is known for being very resistant to heavy use, cleaning and can withstand high heat. The fact that we now use recycled stainless steel does not compromise the performances of this highly durable material.

ENJOYMENT RECYCLED

Circular development is our core focus.
Enjoyment is made of recycled stainless steel and
tends to join the fight of saving our planet.

- +90% recycled stainless steel
- Extra large bottom = + 20% larger usable surface
thanks to the straight edges
- Encapsulated 3-layer sandwich base:
optimal heat conservation and distribution
- Rounded rim for easy pouring
- Comfortable riveted handles
- Suitable for all heat sources, incl. induction

THE DUTCH

- Cast-iron is an excellent heat conductor and retains heat for a long time.
- Ideal for baking bread or simmering stews for hours.
- The extra-thick enamel finish is scratch-resistant, making this dutch oven extremely easy to clean and maintain.
- The small nubs under the lid distribute the cooking juices uniformly and ensure that the preparation is sprinkled naturally with this moisture.
- Suitable for all heat sources, incl. induction.
Perfectly suitable for use in the oven and even on the grill.

25-year guarantee

Firm handle
for good grip

T-TIME

- Including stainless steel tea strainer with fine holes: designed for even the smallest tea leaves.
- The cleverly designed anti-drip spout prevents leakage when pouring.
- The extra wide base allows you to use it on all types of hobs (including induction).
- The aroma of fresh tea is subtly dispersed through the small steam hole in the lid.
- Fold-down handle makes storage neat and efficient.

5-year guarantee
