

# DESIGNED FOR COOKING.

Brabantia cookware collections 2026

 brabantia

## DESIGNED FOR COOKING.

Can practical be beautiful? We think so. In fact our products are so delightful; they transform daily chores into a domestic pleasure. And because they're stylish and well made, you will love using them for as long as you want – without feeling guilty when you finally let them go.

## ENJOY FOOD.

As we spend more and more time in the kitchen, the things we use become increasingly important to us. When cooking, mixing and preparing food looks this good, it becomes even more of a pleasure.

## MISSION.

We and our partners create success through delighted and returning customers with beautiful, sustainable and functional solutions for living, giving and cooking.

Allinox is our exclusive cookware partner for manufacturing, distributing and promoting Brabantia Cookware worldwide since 2001.

A woman with blonde hair, wearing a light blue button-down shirt and a gold necklace, is garnishing a large silver pan filled with small, golden-brown potatoes. She is holding a sprig of dill in her right hand and the handle of the pan in her left. The background is a plain, light-colored wall.

Ceramic coating  
PFAS-free

# VANTA RECYCLED

- 100% Recycled aluminium.
- PFAS free.
- Ergonomic and heat-resistant bakelite handles with a sleek design.
- High quality aluminium body that heats up fast to save you time and energy.
- Titanium reinforced ceramic coating: Excellent non stick properties.
- Low-fat cooking. Only a little bit of fat is needed to sear or brown your food.
- Effortless cleaning thanks to the non-stick layer preventing sticky food residue.
- Suitable for all heat sources, incl. induction.

3-year guarantee

All hobs suitable  
including induction

# T-TIME

- Including stainless steel tea strainer with fine holes: designed for even the smallest tea leaves.
- The cleverly designed anti-drip spout prevents leakage when pouring.
- The extra wide base allows you to use it on all types of hobs (including induction).
- The aroma of fresh tea is subtly dispersed through the small steam hole in the lid.
- Fold-down handle makes storage neat and efficient.
